"PHOTOCHROM CELETTE" Copyright Reg. Tuck, Raphael Tuck & Sons, Ltd., ART PUBLISHERS TO THE QUEEN, LONDON & PARIS.

The Priory Church was originally the place of worship of the Augustinian Priory founded here in the reign of Henry I. by Walter de Gant. Of the original magnificent foundation little now is left except the nave of the old church, the remaining buildings having been destroyed in 1539 after the Dissolution. The restoration, under the control of Sir G. G. Scott, occupied a period of thirty years (1850-80).
